#### General Program Information

PICK-UPS: Pick-ups are the second and fourth Mondays of each month through 10:30 a.m. Please have blue bags set out on the curb. Please note that only blue bsgs will be picked up and city employees cannot go onto your property to pick up bags. If a pick up date falls on a Holiday, then the pick-up day will be rescheduled to the next business day. Bags can be replenished as they are set out at the request of the subscriber or can be picked up at City Hall, Monday thru Friday, 8-4 p.m. Please contact city hall if any of the above information or your enrollment status changes.

Upon enrollment in the city curbside recycling program, you will also be subscribed to the city notification mobile text alert system unless you specify to not be enrolled on this form; the system is sometimes used to send out pick-up alerts and reminders.

If you have any questions about the curb-side recycling program, you can contact city hall at the phone number on this form or email pinevillecity@gmail.com.
